

Monday: Mark 1:1 - 12

Meditate: What God says of Jesus in verse 11 is true of us when we are a child of God through faith in Christ. When you find yourself in the desert (v 12) you must remember the words spoken in the river.

Tuesday: Matthew 4:1 - 11

Consider: The Devil's temptations focused on three crucial areas: Christ's physical needs & desires, His possessions & power, and the issue of pride. Which of these is the area where you are most likely to be tempted?

Wednesday: Luke 5:1 - 11

Reflect: Growth as a disciple is always progressive. These disciples had encountered Jesus twice before. In John 1:35-42 they met him and realised he was a significant Rabbi. In Mark 1:16-20 they heard his call to follow and "left their nets" but later went back to fishing. Here they "leave everything" to follow Him. What stage of growth are you at?

Thursday: John 2:1 - 11

Key Thought: Although Mary did not understand what Jesus was going to do, she trusted him to do what was right. Those who believe in Jesus and face situations they don't understand must show similar trust that he will do what is best.

Friday: John 2:12 - 25

Apply: Jesus demonstrates a right way to express anger, by highlighting wrong behaviour and not attacking individual character. How can you learn from this regarding situations that make you angry?
