

Monday: Luke 4:13 – 30

Think: What was the root cause of the change in attitude of the people between verse 22 & 28? What can you learn from this with regard to sharing the good news?

Tuesday: Luke 4:31 – 44

Reflect: "God gives us health so that we may serve others." This was true of Simon's mother-in-law in verse 39. Is this a principle for you to apply in your life?

Wednesday: Mark 2:1 – 12

Consider the efforts the friend's went to, to bring their sick friend to Jesus. Are you as determined in your efforts to bring your friends to Christ?

Thursday: John 3:1 – 21

Pray: Nicodemus is only mentioned in two other verses in the Bible apart from this chapter: John 7:50 & John 19:39. He seems to be starting his journey to faith here, despite the fact that he was a Jewish Leader. There is hope for religious Leaders in our City and nation, who have not yet come to true faith in Christ!

Friday: Psalm 4:1 - 8

Meditate: Re-read verse 8. To what extent is your sense of security rooted in your trust in God?
