

Monday: Genesis 37:1-36

Key thought: Joseph came from a difficult, and divided family background, as far as his brothers were concerned. Yet none of these things prevented him being a man that God used mightily. Pray that His purposes may be fulfilled in you and your family.

Tuesday: Genesis 39:1 – 40:8

Reflect: Despite his difficulties & the injustice he faced, Joseph maintained his purity and a good heart attitude. What can you apply in your life from his example?

Wednesday: Genesis 40:20 – 41:40

Consider: Two verses sum up the secret of Joseph's success; 41:16 (where he gives God the glory) and 41:38 (where others see the Holy Spirit in him). Which of these do you need to work on most?

Thursday: Genesis 42:1-7; 45:16-28; 50:15–26

Notice: Joseph's vision went beyond his own life (See Genesis 50:24,25). Our Church vision focusses on making disciples in this and the next generation. Have you made this a principle in your own life?

Friday: Proverbs 4:20-27

Remember: What was preached on Sunday, or discussed in your group on these verses? How will you apply the principles in these verses to your life today?
