

**Monday: Exodus 15:22-27 & 17:1-7. Reflect:** In the desert the Israelites had to learn to trust God, but when they found water they grumbled against Moses, as it was bitter. Moses in contrast, cried out to God. Whose example do you follow? Are you a grumbler or a person of faith?

**Tuesday: Exodus 16:1-36. Think:** When they faced struggles, the Israelites were tempted to believe their old life under Pharaoh was better than their new life under God. When you are tempted to turn back during difficult times, how do you overcome this temptation?

**Wednesday: Exodus 19:20 - 20:21. Consider:** God descends in power to meet the people He has just saved, and they all back away in fear except Moses. God is seeking intimacy, and Israel is seeking distance. Do you permit God's testing to transform you, or do you back away and miss out?

**Thursday: Exodus 32:1-35. Appreciation:** After 40 days of waiting for Moses to come down the mountain, the Israelites grow weary of waiting, and create a golden calf to worship. High points of commitment are often followed by shameful failure. Spend a few moments thanking God for his grace and forgiveness.

**Friday: Exodus 40:1-38. Self-examination:** Obedience prepared the way for God's Presence to be among His people, and His glory filled the tabernacle. The tabernacle was mobile, not so that God could be led, but so that the God could lead his people. In what areas do you need to experience His presence and direction? Is there an area where you need to grow in obedience for this to happen?
