

Monday: Joshua 3:1-17. Reflect: As the people of Israel crossed over the River Jordan, the ark went ahead leading the way, “as they had never been this way before”. What are you seeking direction in? Allow God to lead the way.

Tuesday: Joshua 5:13 - 6:27. Think: The Israelites were about to experience a great miracle in seeing the walls of Jericho come crashing down, but in order to achieve this they had to wait, follow and obey. Are we prepared to wait, follow and obey God’s instruction to see His plans fulfilled in our lives?

Wednesday: Judges 4:1-23. Consider: Once again we see God’s hand working for the Israelites. God told Deborah He would give Barak the victory over Sisera. Deborah had great confidence in God’s instruction. If you had Deborah’s confidence, what would you attempt to do?

Thursday: Judges 6:1-40. Challenge: Gideon understandably wanted to be sure about the angel’s message. He was doubtful and made a number of requests of God with the fleece. What do you find is the hardest thing about doing God’s will?

Friday: Judges 7:1-25. Trust: God used 300 men, candles & trumpets to beat the Midianites. Gideon trusted God and he won the battle. What battle are you facing right now and how do you feel about allowing God to fight your battle?
