

**Monday: 1 Kings 1:11-40. Consider:** Solomon nearly didn't become King, but others looked out for him including Nathan and Bathsheba. Who is encouraging you towards God's purpose for your life or gives good advice when needed. Ask God to give you such people or thank God for them.

**Tuesday: 1 Kings 3:16-28. Reflect:** When God offered Solomon whatever he wanted, he asked for wisdom instead of riches. What gifts has God given you? See 1 Corinthians 12: 8-11. Do you seek His best gifts and use them well?

**Wednesday: 1 Kings 6:1-22. Praise:** The temple was built with great care and detail to be a sacred place fit for the Lord of Lords. Take time today to prepare your heart as a temple of praise, laying aside all distractions and worries and taking time to worship, allowing Jesus to be King of your life again.

**Thursday: 1 Kings 10:1-13. Challenge:** When the Queen of Sheba heard about Solomon's fame she wanted to see if what she heard was true. It was, and it exceeded everything she had heard. When people hear that you are a Christian, do they hear a good report, and when they get to know you do you turn out to be even better than they expected?

**Friday: 1 Kings 12:1-24. Reflect:** Rehoboam refused to humble himself as his elders advised him, but instead took unwise advice from his friends. Ask God to reveal any pride or unhealthy relationships in your life so that you listen to the right people with a right attitude.
