

Monday: 1 Kings 17:1-6. Challenge: After predicting a drought upon the land, Elijah was sent to the place where he would be able to drink and where the ravens would bring him food. Can you trust God in times of hardship even when He leads you in an unusual way?

Tuesday: 1 Kings 17:7-24. Trust: Following Jesus enables us to receive His provision but also brings blessing to others. Can we trust God even when faced with suffering and death?

Wednesday: 1 Kings 18:16-46. Respond: There was nothing to show for all the efforts of the pagan prophets. Elijah expects God to move in answer to faith with powerful results. Pray today for bold confidence in the Lord to see Him do great things through you!

Thursday: 1 Kings 19:1-21. Reflect: Elijah goes from seeing fire fall from heaven to a place of great personal loneliness. In the place where God appeared to Moses in power he appears to Elijah through a gentle whisper to restore his ministry and sense of perspective. We need places of powerful experiences and also places of quiet rest. What do you need most at this time?

Friday: 1 Kings 21:1-19. Think: There is real wickedness in this fallen world, and great temptations to pursue personal power and greed. Today, think about the implications of your choices and ask Jesus to help you make good choices and understand your own motives.
