

Monday: 1 Kings 22: 29-40. Reflect: Ahab disguised himself but God sees through every disguise! He sees the thoughts and motives of our heart. We can't get around His plans or purposes.

Tuesday: 2 Kings 2: 1-14. Key thought: Elijah "discipled" Elisha to follow in his ministry. Who is discipling you, or who are you developing in ministry?

Wednesday: 2 Kings 2:15-25. Key verse 15: "The spirit of Elijah is resting on Elisha." Whenever God's Spirit comes upon someone this is evident to those around. Is this true of you?

Thursday: 2 Kings 5: 1-18. Consider: When God acts in a different way than expected, can you humble yourself and be obedient like Naaman, even though it does not seem to you to be necessary or appropriate?

Friday: 2 Kings 9: 1-13. Respond: To speak and act prophetically was always considered the behaviour of a "madman" (verse 11). Will you risk the ridicule of the world in order to share God's word with those who are lost?
