

Monday: 2 Kings 11:1-21. Reflect: When the royal family was killed, it looked as if God's promise to David was about to end, but then Joash was made King. Praise God that even when things seem to be hopeless, God has a bigger plan to fulfil His purposes.

Tuesday: 2 Chronicles 22:10 - 23:17. Consider: Who would have thought a 7 year old boy as King was part of God's plan? Thank God that he uses unlikely people like us in his plans and ask the Holy Spirit to reveal to you what God is asking you to do today.

Wednesday: Jonah 1:1 – 2:10. Remember: From the depths of the fish, Jonah repents, remembering what God had done for him. Whether in the depths of gloom or on the heights of blessing, praise God today for His faithfulness and His past blessings.

Thursday: Jonah 3:1 – 4:11. Pray: Jonah was angry, feeling that the people of Nineveh didn't deserve God's compassion. Do you get angry at the people God blesses? Pray and ask God to enable you to share his grace with someone today.

Friday: Amos 3:1-15. Key verse: v2. Being chosen by God brings great responsibility, and requires us to live to a higher standard than others. Bring any unconfessed sins to God today and thank Jesus for forgiveness instead of judgement because of the cross.
