

Monday: Habakkuk 1:1 - 2:1. Consider: In answer to Habakkuk's complaint about the state of the nation God surprises him by telling him that he will use an even more evil nation, Babylon, to be the means of judgement on Judah. How does this help you understand how God even uses wrong situations to bring about His purposes?

Tuesday: Habakkuk 3:1-19. Reflect: Verses 17 & 18 reveal Habakkuk's faith – even in the face of total economic collapse for an agricultural economy. How have you reacted in difficult times? Does your life reflect a similar faith no matter what may happen?

Wednesday: 2 Chronicles 34:1-8, 14-28. Be honest: Josiah had a desire to know God, but the discovery of the Book of the Law gave a greater impetus to his reform of the nation. When you are challenged, do you humble yourself like Josiah, or seek to justify your behaviour?

Thursday: 2 Kings 25:1-21. Think: Israel & Judah had turned away from God, and His judgement was obvious to all in verse 9. Their behaviour showed that they had not taken His judgement seriously. Is this true of you or not?

Friday: Proverbs 22:1-6. Apply: Proverbs are general principles, that reveal something of God's very practical wisdom in specific situations. Which of these proverbs is most relevant to you at the present time?
