

Monday: James 1:1-18. Thanks: Enduring trials and temptations isn't pleasant, but without them we don't develop perseverance. Pray about your fears about facing trials, and thank God that he uses them to make us 'mature and complete'.

Tuesday: James 4:1-10. Surrender: James is blunt in encouraging us to act like God's people. Consider your attitude towards: material possessions, friends, study, work, and leisure time, in the light of v3 & v4. Spend time in prayer submitting yourself to God.

Wednesday: James 5:13-20. Intercessory Prayer: James challenges our faith in praying for physical and spiritual needs. Pray today for someone you know who has 'wandered from the truth', or has yet to come to faith.

Thursday: 1 Peter 1:3-25. Praise: God calls us to be different from our pre-Christian life, and from unbelievers. Praise God that we were redeemed from the 'empty way of life' by the precious blood of Christ, who was 'chosen before the creation of the world'.

Friday: 1 Peter 3:8-4:19. Reflect: Our world can seem unjust. Think of some of your past or current sufferings. In the light of these sufferings, how can the picture of Christ portrayed in these verses bring you hope? Thank God for the hope we have in Christ.
