Week 56

Monday: Proverbs 3:1-10. As we take hold of God's instructions, what benefits do we experience in our lives from these few verses? Be wise and put them into practice.

Tuesday: Proverbs 3:11-20. We need to grow in wisdom more than we need to make money, according to verses 13 & 14. Do you put as much effort into building your character and understanding, as you do paying bills and managing your finances?

Wednesday: Proverbs 3:21-35. How have you "honoured God with your wealth" in the past 4 weeks? (v9) How does your life show that you value wisdom more than wealth? (verses 13-15)

Thursday: Proverbs 4:1-9. Wisdom is the most important thing to gain in life. But in the Bible wisdom and understanding is different from knowledge and intellect. How do you understand the difference? How do you get wisdom and understanding? What costs are implied by verse 7? What do these verses say are the benefits of getting wisdom?

Friday: Proverbs 4:10-19. In verses 18 & 19 the writer contrasts the way Believers and non-Believers live. How true is this where your non-Christian friends are concerned? What strikes you most about these different ways of life?

Weekend: Proverbs 4:20-27. Keeping our heart attitude right (verse 23) is important. How we speak (v24), what our vision is (v25) and the decisions and direction of our life (vv26, 27) are practical indicators of whether we have kept a pure heart towards God.
